Options to Meet Your Needs

Complete Payroll Processing. Tailored to Your Needs.

When it comes to payroll processing, one size does not fit all. That's why we offer more options than anyone else. Whether you want to do it yourself with our help or want us to do it all, we have a solution that's right for you.

Affordable, Reliable & Easy to Use

We take care of all aspects of payroll processing, including all payroll tax filings & payments, direct deposits, year-end W-2's, employee deductions and accruals, and much more.

Our streamlined processes and leading edge technology make payroll processing simple, while enabling us to offer you the best price and service combination to meet your specific needs.

We're Here for You

From basic payrolls to very complex situations, our staff of payroll professionals is here to take care of all your payroll needs, from answering questions and assuring proper implementation to providing our comprehensive payroll processing services.

Comprehensive Capabilities to Manage Essential Payroll Information

We offer powerful tools to manage your payroll related business matters, including

- HR & Employee Benefits Administration
- Integrated Time & Attendance options
- Payroll deducted pay-as-you-go worker's comp insurance
- Third party agency management and payments, such as health insurance, 401k and retirement plans

Leading Edge Technology with a Personal Touch

Our system offers maximum flexibility to meet your unique needs, while giving you control of your payroll processing and data.

And to make sure your payroll processing goes smoothly, you will have a dedicated payroll professional that understands your specific needs to help you every step of the way.

Save Time & Money

- Go Green payroll with our paperless options.
- QuickPay feature enables fast, accurate payroll processing with just minutes of your time each payroll period.
- 24/7 online availability so you can access the system to enter data or get payroll documents and reports on your schedule.
- Cost-effective solutions and services
